The Making of a Mega Exhibition

Preparation for the world's largest textile and garment technology showcase, ITMA 2023, is currently in full swing, entering the final stages of build-up for this highly anticipated exhibition.

The excitement surrounding ITMA is incredible, as it marks the first global exhibition for the textile industry since the pandemic, allowing for face-to-face engagement once again. Covering a space of 200,000 sqm, over 1,700 exhibitors from 47 countries are eagerly waiting to launch their innovations and sustainable solutions to the world for the first time.

Take a behind-the-scene peek at the building up of ITMA 2023.

We are also delighted to welcome exhibitors making their debut at ITMA 2023 from Estonia, Honduras, Ireland, Norway, Panama, Peru, and Ukraine.
