ITMA 2023 Opens with a Mega Showcase of Innovative Solutions

ITMA 2023 welcomed visitors with a mega showcase of cutting-edge technologies presented by 1709 exhibitors from 47 countries! Spanning 200,000 square metres of the Fiera Milano Rho venue, ITMA 2023 is the biggest textile machinery exhibition in the post-pandemic era.

Over 7 days, exhibitors and visitors will meet to shake hands not just with each other, but with the future of textile and garment manufacturing.

With the theme of “Transforming the World of Textile”, the 19th edition of the exhibition promises to showcase the forefront of innovation in the industry and serves as a comprehensive platform to network, share knowledge and transact. Here's a look at some of the innovations on show at ITMA 2023:

ITMA Blog

On the eve of the opening of ITMA 2023, the ITMAlive film crew were already hard at work interviewing key companies who are playing their part in the current transformation of the textile industry and it's evident that much is being achieved.

Onsite Events

Make the most of your participation at ITMA 2023 by gaining insights into the latest trends and developments at onsite events and forums. Learn and network with speakers, researchers, product developers and brand owners.
