THE LEADING
**TEXTILE
TECHNOLOGY
EXHIBITION**
DRIVING REGIONAL
GROWTH

Stand Space Application Opens 9 April 2024

Riding the Region's Growth Momentum

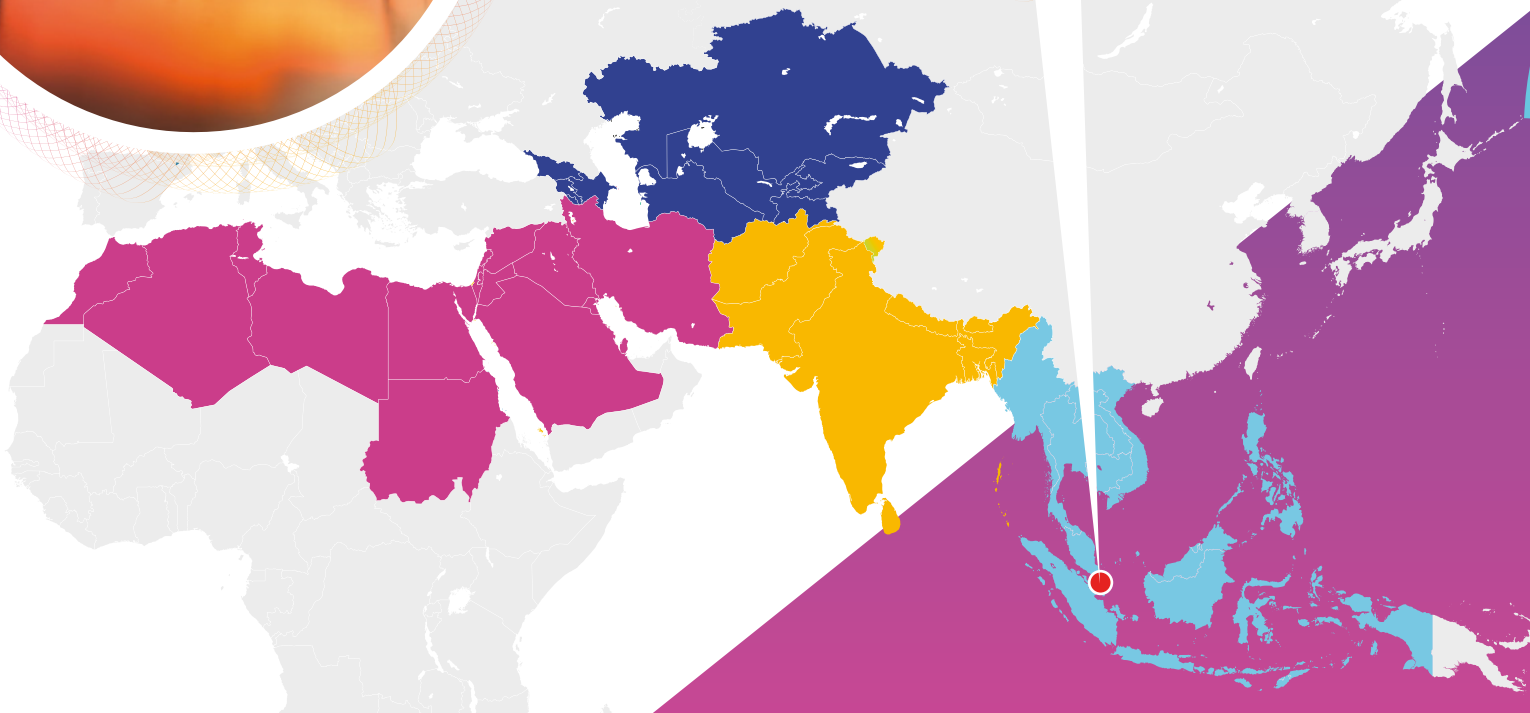

The textile and garment industry in South and Southeast Asia is dynamic and emerging as a major global supplier of textiles and garments. Manufacturers in the region are embracing a myriad of cutting-edge production processes and sustainable practices to increase their competitiveness. Similarly, leading manufacturers in the Middle East are also investing in new technologies to expand their business.

Positive Growth Forecast

-  **South Asia:**
2024 - 5.6%
2025 - 5.9%
(World Bank)
-  **Southeast Asia:**
2024 - 4.7%
(Asian Development Bank)
-  **Central Asia and Caucasus:**
2024 - 4.7%
(Asian Development Bank)
-  **Middle East and North Africa:**
2024 & 2025 - 3.5%
(World Bank)

At the heart of this regional growth story is **Singapore** which will be hosting ITMA ASIA + CITME in 2025.

Business-driven Showcase

ITMA ASIA + CITME, Singapore 2025 is the recognised business platform, targeting a growing textile and garment industry in the region.

- One-stop technology showcase to help buyers in the region modernise and upscale their production
- 'Live' machine demonstrations at the exhibition
- Only direct manufacturers are allowed to participate
- Spotlight on cost-effective and sustainable machinery and products

Springboard to Regional Markets

Singapore is an excellent gateway to growing textile manufacturing hubs in Asia and the Middle East. Hence, it is an ideal location to stage the exhibition, having hosted ITMA ASIA in 2001 and 2005.

- Pro-business environment, and an intellectual property and arbitration hub
- Unparalleled connectivity with flights to more than 100 countries and territories, supported by a friendly visa policy
- Rich and unique cultural heritage and interesting attractions

“ We have successfully held eight editions of ITMA ASIA + CITME in Shanghai. As part of our strategy to support the aspirations of local manufacturers in the region to modernise their operations, we are augmenting the series with a second location in Asia to better reach out to the textile hubs.”

Mr Ernesto Maurer, President, CEMATEX

“ Asia is the world's biggest textile manufacturer and exporter. We are delighted to extend our cooperation with CEMATEX to bring ITMA ASIA and CITME to other parts of Asia to support our members' marketing efforts.”

Mr Gu Ping, President, China Textile Machinery Association (CTMA)

**Details of services are in the ITMA ASIA + CITME, Singapore 2025 General Regulations.*

“ As a journalist who attended the inaugural ITMA ASIA in Singapore in 2001 and in 2005, I can say that these experiences deeply resonated with Pakistani buyers. The support from the organiser made each visit unforgettable, reinforcing the commitment to actively participate in Singapore 2025. I am confident that Pakistan's vibrant textile and garment community will unite once again to contribute to the exhibition's success.”

Mr Nadeem Mazhar, Publisher, Pakistan Textile Journal
