A10.1 Ground Floor Stand Space Rental

The basic stand space rental charge for ground floor stands with only one side open is Singapore Dollars (SGD) 535 plus Goods and Services Tax (GST) if applicable, per square metre. The length in metre of any dimension of the stand space applied for must be a whole number.

Surface over 100 square metres	0%	0%	0%

Surcharges for open sides are only charged on the first 100 square metres of every stand space, and there are no surcharges imposed on additional space taken on the same stand. Open-side surcharges will be based on the number of sides allocated to the exhibitor by the Organiser.

Example

A stand space of 250 square metres and 4 open sides will be invoiced as follows:
