CONCLUSION

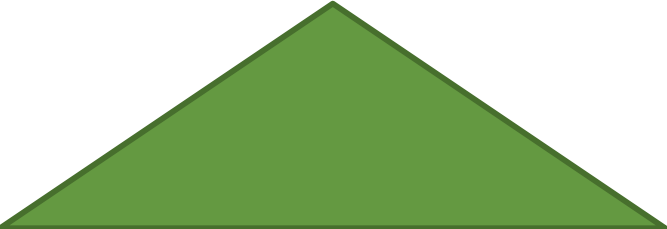

## **IGATEX PAKISTAN**

International Garment, Textile Machinery & Accessories Exhibition is the largest and most influential textile machinery exhibition in South Asia, fostering business partnerships, and connecting global industry leaders with Pakistan's thriving textile sector.

This year celebrating its 23 years of excellence , IGATEX Pakistan has grown exponentially, both in scale and significance, reinforcing its position as a cornerstone event for the region's textile and garment industry.

## **IGATEX 2025 OVERVIEW**

The IGATEX Pakistan 2025, held from April 24 to 26, 2025, at the Karachi Expo Centre, reaffirmed its status as the region's premier textile machinery showcase. With participation from over 450 leading companies across more than 25 countries, IGATEX 2025 brought together global manufacturers, technology providers, and industry professionals to showcase innovations, network, and drive forward the textile sector in Pakistan and beyond. The three-day event stood out as a landmark platform for technology exchange, trade development, and industrial collaboration.

- United Kingdom
- USA
- Switzerland

## INTERNATIONAL PARTICIPATION & PAVILIONS

IGATEX 2025 saw robust global participation, with country pavilions that included:

**China Pavilion** – Highlighting innovations in textile finishing, spinning, weaving and garment.

**Italian Pavilion** – In partnership with ACIMIT and the Italian Trade Agency, featuring 11 top textile machinery companies like Biancalani, Fadis, Ferraro, and MCS.

**Turkish Pavilion** – A major showcase of Turkish textile technology and partnerships.

# IGATEX PAKISTAN PROMOTES SUSTAINABLE PRACTICES

At IGATEX Pakistan 2025, sustainability took center stage through the introduction of composite design displays , innovative features that highlighted the IGATEX's commitment to eco-friendly practices. These displays showcased textiles crafted from recycled materials, blending creativity with functionality to demonstrate the potential of upcycled fabrics. Visitors engaged with interactive installations, experiencing firsthand how design and sustainability can converge to shape the future of textiles. By promoting such initiatives, IGATEX not only emphasized the importance of environmental responsibility but also inspired industry stakeholders to adopt sustainable practices in their operations

## NOTABLE OUTCOMES & BUSINESS DEVELOPMENT

- Over **10,000** professional visitors attended, including manufacturers, traders, investors, and decision-makers.
- Multiple Memorandums of Understanding (MoUs) were signed during the event, totaling millions of dollars in potential investments and technology transfers.
- The event served as a platform for product launches, live machinery demonstrations, and next-gen solutions, including smart automation, green manufacturing, and digitally integrated systems.

## VIP AND DIPLOMATIC ATTENDANCE

The exhibition attracted a distinguished group of guests, including:

- H.E. Marilina Armellini, Ambassador of Italy to Pakistan
- Consuls general and trade delegates from numerous countries
- Senior government figures, institutional buyers, and top-tier industry leaders

- Auxiliary Equipment
- Bleaching & Washing Machinery
- Chemicals & Dyes
- Circular Knitting Machinery
- Cloth Processing Machinery & Accessories
- Cutting and Laying Machines
- Denim Machinery & Technology
- Equipment for Textile Recycling,
- Waste Reduction & Pollution Prevention
- Finishing & Dyeing Machinery
- Garment & Embroidery Machinery
- Ironing & Steaming Equipment
- Knitwear Equipment & Machinery
- Leather Machinery
- Looms Machinery for Web Formation
- Laboratory Testing & Measuring Equipment
- Medical Textile
- Quilting Machinery
- Spare Parts & Accessories for Textile Machinery
- Sewing Machines – Industrial & Household
- Spinning Machinery & Accessories
- Software & Design
- Technical Textile Technology & Products
- Textile Printing & Digital Printing Machinery
- Woven, Nonwoven and Felting
- Yarn Dyeing Machines & Apparatus
- Yarn Processing Machinery & Accessories

## EXHIBITORS SURVEY

Exhibitors successfully met their overall objectives in the event

Exhibitors rated the number and quality of visitors very good

Exhibitors generated more than US\$ 100,000 business from this event
