MEETINGS

Four Good Reasons to Attend the Forum

1 Connect with key business leaders and project decision-makers and go back with a deal

Mongolia's top 100 leading corporations will be present, including business leaders who are seeking new collaborations and partnerships with European companies. Key decision-makers at Mongolia's national, urban, and regional level will also be present.

3 Engage with major domestic and international financing partners

Leading European financing institutions are set to attend, including the European Investment Bank (EIB), the European Bank for Reconstruction and Development (EBRD), European Development Finance Institutions (EDFIs), as well as private sector financing partners from Mongolia.

2 Help shape Mongolia's future business environment

Representatives from Mongolia's political and government leadership will be in attendance. Through breakout sessions and one-on-one meetings, participants will have opportunities to share and discuss recommendations for enhancing Mongolia's business-enabling environment, supporting the country's sustainable development, and encouraging value-creating businesses.

4 Gain valuable insights into Mongolia's opportunities

A wealth of market insights at sector, subsector, value-chain, and project levels will be presented and discussed during the forum. By attending, you will discover opportunities to collaborate with Mongolian and EU companies, expand your business, and explore new investment prospects.
